Thumbnail photo on the button bar of the Person form

A thumbnail of the photo stored in Person – Photo can now be displayed on the top right hand of the Person form for ease of viewing when videoing through candidate records.

The screenshot shows the IQX application window titled 'Sana Acevedo'. The interface includes a top navigation bar with buttons for Reports, Register, Delete, and Search. Below this is a sub-navigation bar with links for Help, Registration Report, Data Access Report, and Data Management. The main content area is divided into several sections: a left sidebar with a tree view showing 'Temp', 'Contact Events', 'Get in Touch', 'Diary', 'Shifts', 'Shift Progress', 'Availability', 'Requirements', 'CV', 'Perm', 'Accounts', and 'Compliance'; a central panel displaying personal details for Sana Acevedo, including Division (International), Name, State, Available From, Personal information (Male 34, Home Phone, Day Phone, Mobile, E-mail), and Social Media; and a right panel showing additional details like Headline, Alert, Reg. Departments, Dept. Questionnaire, Position Sought, Salary wanted, Key Skills, HGV Licences, Fork Lift Truck, Tests Completed, and Safety Gear. A thumbnail photo of Sana Acevedo is displayed in the top right corner of the main content area. At the bottom right, there are options for 'Max size 256Kb for reports', 'Load from File', 'Copy from Clipboard', and 'Copy to Clipboard'.

New Column on Expiry Dates View - Shifts After Expiry

A new column has been added to the expiry dates view called 'Shifts after Expiry'. This column shows the number of shifts booked after the first expiry date. This has been designed to assist with booking future shifts before a candidate has been re-cleared on the expectation that the clearance will happen in time.

Note: Users need to click the Pop up Again button again to get a subsequent popup.

Company - IQXWeb - way to Link Head Office to Group Companies

Where there are multiple companies in a group using the same account code and a head office contact needs to see data from all companies a way of adding links to all in one action now exists in the iqxWEB record on the company contact record.

Clicking 'Add Multiple Links' will allow the user to enter an account code and link all companies to the iqxWEB record. This will save time with companies that have a significant number of subsidiaries. An employment record will be added to each company record with a Note of 'Web User Link'. Use the Delete Link button to remove a company; the employment record will also be deleted unless contact events exist.

The screenshot shows the 'IQXWeb User Charlotte Morton, ABBA Ltd' window. The 'Links' tab is selected, displaying user details: User Class (CLIENT), Name (Charlotte Morton, ABBA Ltd), Login ID (Charlotte), Email Address (*ivan@live.co.uk), and Expiry Date. Below this, there are buttons for 'Delete Link', 'Drag Person or Contact to this panel to create link', and 'Add Multiple Links' (which is circled in yellow). A table below these buttons shows a single entry for Charlotte Morton at ABBA Ltd. An 'Add Multiple Links' dialog box is open in the foreground, prompting the user to 'Add links to all Companies with' and providing a text field for the 'Account code' (containing 'ABBA01') and 'Ok'/'Cancel' buttons.

Company - Contact Department

This field has been changed to enable the user to select from a drop down as well as entering free text thereby saving time and ensuring uniformity of spelling. This is similar to vacancy position.

Division filtering on Notifications

In Agency Setup - Notifications it is now possible to assign divisions to Notifications. Leaving the Divisions field blank means the Notification is available for all divisions.

Selecting a Division means the template will be available to a user if they are in All or the associated division.

2-17-10-b.png Note:- Each division needs to have a separate notification template allocated to it if the same template is to be used for more than one division. Alternatively leaving the division field blank allocates that notification to all divisions.

Company Contact add Departmental Questionnaire

In Agency Setup - Departments new Company Contact departmental questionnaire has been added.

Company - Contact Department

This field has been changed to enable the user to select from a drop down as well as entering free text thereby saving time and ensuring uniformity of spelling. This is similar to vacancy position. The field description is set in General Settings - Terminology 830 - Company Person Department Name.

The department names are set up in Agency Setup - Contact Department

Name	Order	Department (Blank for all)
Tester1	Construction	

The choices displayed in Company- Contact right-hand view is limited to the user's department.

Composite Company Template Maintenance Update

Composite Company Template Maintenance has been updated to bring into line with other approaches such as adding Departments to Shift Order Reasons.

In Temp Setup - Composite Co Pay Companies

To set up a new template:

1. Use Add to start a new template.
2. Use the arrow buttons to set the fields to be included.
3. Use **Next** → to open the form where you add the values.\

List Temps will open the person selector and display a list of all temps that are associated with that template.

To modify an existing template, use the arrow buttons to add new fields the use Next to add information to the new fields.

The screenshot shows the iqx software interface. At the top, there's a navigation bar with buttons for 'Reports', 'Register', 'Delete', and 'Search'. Below this is a sidebar with various sections: 'Temp', 'Contact Events', 'Get in Touch', 'Diary', 'Shifts', 'Shift Progress', 'Availability', 'Requirements', 'CV', 'Perm', 'Accounts', and 'Compliance'. The main area displays a form for 'Sana Acevedo'. The form has several sections: 'Personal' (Name: Sana Acevedo, State: Current, Available From, Personal: Male 34), 'Contact' (Home Phone: 01632 931 813, Day Phone, Mobile: 07700 996 930, E-mail: Sana_Acevedo@iqx.co.uk, Social Media), 'Headline', 'Alert', 'Reg. Departments' (Industrial (Perm+Temp), Financial Services (Perm)), 'Dept. Questionnaire' (Industrial), 'Position Sought', 'Salary wanted', 'Key Skills', 'HGV Licences', 'Fork Lift Truck', 'Tests Completed', and 'Safety Gear'. A 'Next' button is visible at the bottom right.

Next → opens the form where you add the values to the selected fields.
